Join Our Team as a Project Manager at Precise Roofing!

Are you ready to take your career to the next level? At Precise Roofing, we're looking for motivated, detail-oriented individuals to lead our projects and help us deliver outstanding results to our clients. As a Project Manager, you will play a key role in managing construction projects, ensuring quality, and creating a positive impact in the lives of our customers and team members.

Position: Project Manager

Compensation: Starting at $65,000–$120,000 per year (based on experience) **Commission Only**

Additional Benefits:

• Competitive commission-based pay with bonus opportunities

• Career growth and training opportunities

• A supportive and dynamic work environment

Your Role Will Include:

• Managing and leading installation crews to ensure quality and safety standards are met.

• Overseeing multiple construction projects, including roofing, siding, gutters, windows, solar, paint, and doors.

• Ensuring projects stay on schedule and within budget while maintaining high standards.

• Monitoring progress, identifying risks, and implementing solutions.

• Coordinating job details both in-office and on-site.

• Building strong relationships with customers, ensuring satisfaction and clear communication.

• Representing the company with professionalism and integrity.

Qualifications We're Looking For:

• 3–4 years of experience in roofing, construction, or project management (preferred but not required—we'll train the right person!).

• Ability to work in varying weather conditions and lift up to 80 lbs. as needed.

• A High School Diploma or GED.

• Strong organizational and communication skills.

• A passion for leadership, problem-solving, and driving results.
